

# SEPTA 38 BUS TO EDGELY

Use this map to supplement the map on the schedule for the 38 bus, available from [www.septa.org](http://www.septa.org).

From Center City to Edgely, you are travelling Westbound.

When you see Montgomery Drive on your right, it will soon be time to exit the bus.

As you pass Belmont Mansion Drive on your right, pull the cord.

When you get off the bus, walk a few feet along Belmont in the direction the bus is headed and then make a right onto Edgely Drive. Walk down Edgely until you see a small dirt road on your right, cars should be parked along the road and in a lot.

Head down that dirt road and the fields will be on your left.

If you pass Simpson House while still on the bus, you've gone too far. Get off at the next stop and walk back in the direction you came from.
