

SEPTA 40 BUS TO EDGELY

Use this map to supplement the map on the schedule for the 40 bus, available from www.septa.org.

From Center City to Edgely, you are travelling Westbound.

When you turn onto N. Georges Hill Rd, anticipate the turn onto Belmont Ave.

As soon as the bus turns left onto Belmont, pull the cord.

When you get off the bus, walk a few feet in the direction the bus is headed and then make a right onto Edgely Drive. Walk down Edgely until you see a small dirt road on your right, cars should be parked along the road and in a lot.

Head down that road and the fields will be on your left.

If you pass Simpson House while still on the bus, you've gone too far. Get off at the next stop and walk back in the direction you came from.
